

February 3, 2022

Dear Sunrise Families and Community,

We are excited and pleased to announce that we will be moving our Sunrise Toddler Class and Co-op Preschool location to Renton United Methodist Church (RUMC) starting in the **Fall of 2022**. Sunrise Co-Op Preschool and Toddler Class remains part of the Bellevue College Parent Education Program. We are renting space from RUMC.

At Renton United Methodist Church, our preschool will have three large classrooms, shared access to a large kitchen space, multi-stall bathrooms and a wonderful fully fenced outdoor space that could be used in a multitude of ways (play space, gardening, science experiments, etc.) and will be great for the children. We have previously held a young Toddler class at RUMC and have hosted special events. The three classrooms offer great natural light and plenty of space to create different learning areas for the children.

We have had the privilege to have a great partnership for the past several years with the City of Renton at the North Highlands Community Center. This space has been a great home for us, and we will take wonderful memories with us.

We are very excited for our move. RUMC is less than two miles away from our current location and remains within the Renton Highlands boundary.

As the teachers, Board and Operations work together to plan and execute the move to RUMC in late spring/summer, we will provide updates and ways for families to help with the prep of the new space, packing and moving.

Sincerely,

Sunrise Cooperative Preschool
